UPDATED: 01/03/2013

DISCLAIMER: The defendant named in each of the cases listed, is presumed innocent until and unless proven guilty; the information provided is intended for community information purposes only and should not be used to threaten, intimidate, or harass. Misuse of this information may result in criminal prosecution.

The Public/media representatives may obtain general information about non-confidential court cases by accessing the Supreme Court's Public Access to Court Information website at the following link:

<http://apps.supremecourt.az.gov/publicaccess/caselookup.aspx>

By using this website, the public/media representatives who are interested in finding out what cases have been filed for a specific individual can enter that person's name to find all cases in the system that are associated with that person. A specific case can also be viewed by entering the case number.

Once the case is selected, general information will appear, and includes the pleadings filed, hearings held, and status of the case. For more information about the case than the website displays, you may contact the office of the Clerk of Court or office of the Court Administrator.

If an agency of the media is interested in following the progress of a particular case or a public interest case, the media representative may identify that case to the office of the Court Administrator. Information about the case may still be obtained from the Public Access to Court Information website, as the direct link will save the media time when researching the case. The Court's website can be accessed by clicking on the following link:

The Superior Court calendar is also available via the Internet at the following link:

http://72.24.204.138:8080/gila_public/ev_srch.action

Media representatives may look for information on a court calendar by selecting a calendar and the dates of interest. Information about the cases, times, and types of hearings set on those dates will be displayed.

For general questions regarding cases on the Public Interest Case List or any other case, please contact: Coleen Stevens, Public Information Officer, at: cstevens@courts.az.gov, or (928) 402-8674.

In the event that you want to view court records or obtain a copy of court documents, a request is first to be made to the Clerk of Court's office.

Please Note: Prior to releasing any documents, the Clerk's office will review files before releasing them to the public/media, in case the document contains confidential material. If the document contains such confidential information, the Clerk's office will redact this information before releasing it. If the document is confidential, the public/media are not permitted to view it, such as with a Pre-sentence report. **There is also a 50 cent charge per page.**
